About Us

Established in Qatar in 2000, Care n Cure has grown into a respected, multi-sector group with 25 years of proven excellence. Today, the Group operates across five countries, delivering quality-driven solutions to diverse markets.

Supported by a team of 700+ professionals, Care n Cure operates through 17 divisions and 95 retail outlets, backed by over 3,200 square metres of warehousing infrastructure that ensures efficient and reliable supply chain operations.

In Qatar, Care n Cure is a trusted distribution partner for more than 80+ leading brands, demonstrating strong capabilities in market access, regulatory compliance, and last-mile execution across healthcare and allied sectors.

Our approach is rooted in ethics, responsibility, and empathy, with a clear focus on long-term partnerships and total stakeholder satisfaction. Ongoing investments in people, infrastructure, and systems strengthen operational excellence, sustainability, and resilience.

Today, Care n Cure is widely recognized for the quality of its products and services, reinforcing its position as a reliable partner with a strong legacy of integrity, growth, and performance.

Pharma Division

Delivering Quality. Building Trust.

Care n Cure's Pharma Division is the wholesale distribution arm of the group, supplying high quality, regulated healthcare products across Qatar. As authorized distributors for leading global pharmaceutical brands, we serve over 400+ pharmacies, hospitals, and clinics with professionalism and reliability.

Our dedicated field force including medical representatives, sales professionals, and marketing experts works hand-in-hand with health-care providers to ensure product visibility, support, and education. This is backed by an efficient supply chain and cold chain infrastructure that guarantees timely and safe delivery.

Fast Moving Consumer Goods (FMCG)

FMCG division that has perfected mass-market brand building, by partnering on innovation and in-store execution and tightly aligned with our supply chains.

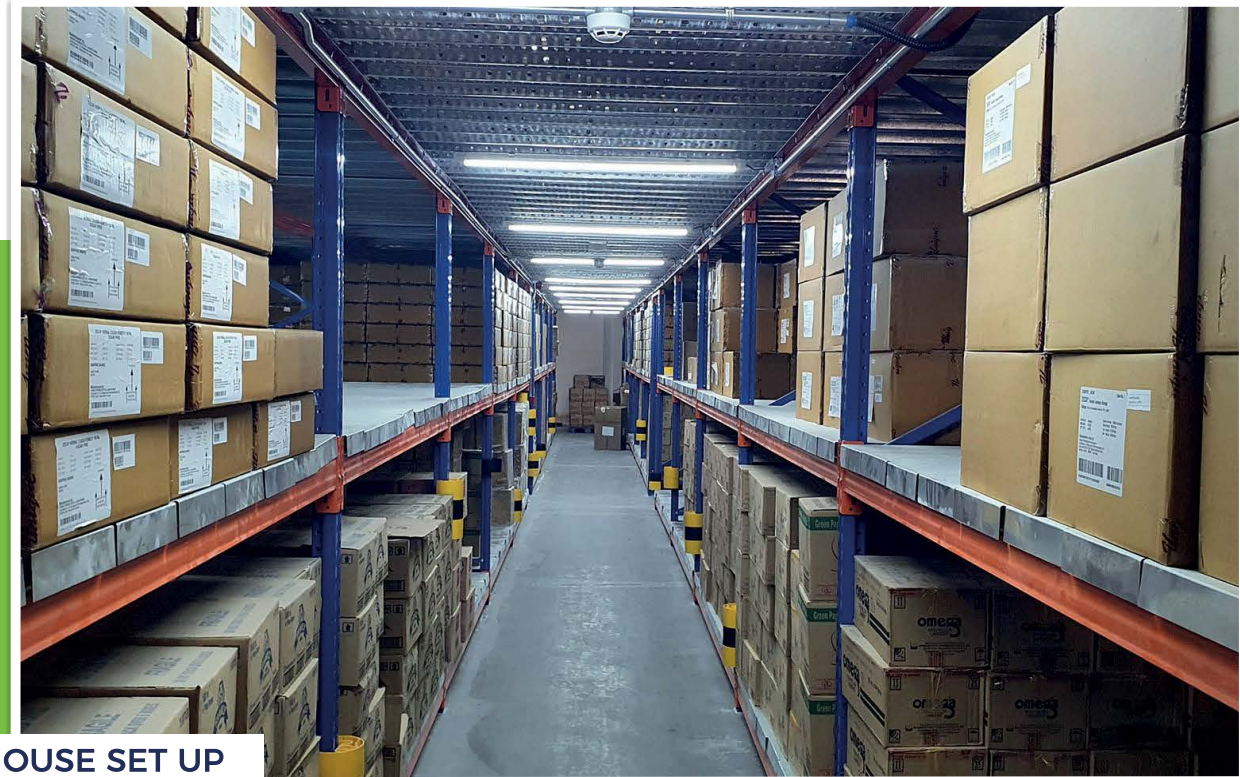

The FMCG division has secured an extensive distribution channel by designing and following good operating models with a high penetration ratio which entrusted us with the distributorship of 50 major international brands from across the globe. This division has emerged as a formidable player in the FMCG market in Qatar.

Warehouse and Inventory Control

CARE N CURE WAREHOUSE SET UP

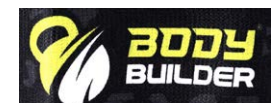

Our warehouses are equipped with state-of-the-art infrastructure and maintained as per international standards. We are backed up by a team of committed and innovative experts in each field of operations. Our storage capacities are designed for a wide variety of goods ranging from medicines, nutraceuticals, cosmetics, food, and consumer goods. With a 24-hour delivery system, and availability of stocks we deliver products at the Right Time in the Right Condition.
